Geologists & Geophysicists of Alberta

CSEGE Nominations
Chartered with identifying and approaching members within the society to run for positions on the CSEGE Executive, this committee is responsible for offering a full field of candidates annually to serve on the Executive. Additional candidates can be nominated by the membership.

CSEGE Foundation
This committee is responsible for promoting the geophysical discipline by providing student scholarships and other educational funding related to the practice of geophysics.

Outreach (Committee of the CSEGE Foundation)
This committee is charged with promoting the geophysical discipline to high school and university students, their parents and the public at large. The committee is also chartered with promoting our society to non-seismic oriented individuals in addition to enhancing our international membership.

Honorary Address (Outreach Sub Committee)
Joint CSEGE/CSPG event held late fall each year.

Joint Annual Convention Committee (JACC)
The governing body to which the annual convention committee reports to, JACC, is made up of 7 members of which 3 are appointed by the CSEGE.

University of Calgary Chair in Geophysics
The Chair in Geophysics is supported by the society with the intent to provide an opportunity to promote the geophysical science through academic initiatives.

Don Lawton

CFES
Canadian Federation of Earth Sciences

Chief Geophysicists Forum
Acting as an industry "think tank" for the geophysical discipline, this standing committee is to identify industry issues and concerns and initiate and/or recommend a course of action. The CGF can also act as a "sounding board" for the CSEGE, recommending courses of action for the society.

Marian Hanna

Continuing Education
Focused upon our current membership, this committee endeavours to identify topics of interest to our membership and offer courses of relevant interest.

DoodleTrain
Offered each fall, Doodletrain is a week-long event that hosts a number of educational training courses for members.

Best Paper Award
The following awards are presented annually.
• Best Convention Paper
• Best Recorder Paper
• Best Luncheon Paper

Technical Luncheons
The Society holds 10 monthly technical luncheons per year September – June .

Distinguished Instructor Short Course (Disc)
Offered by SEG each spring.

John Townsley
Past-President

Personnel
This group, comprised of the Past-President, President and the Vice President of the society are responsible for the selection, performance and evaluation of the societies employees and contracted office staff.

Honours & Awards
The Past-President is charged with identifying candidates worthy of Meritorious Service, Honorary Membership and the CSEGE Medal awards. Varied criteria exist that govern bestowing these awards upon any individual within our membership.

Presidents Advisory Council
Consisting of the last ten Past-Presidents of the society, this group offers guidance and advice to the current Past-President President and Vice President of the society. This group offers historical perspective and seasoned insight upon issues being brought forward and discussed.

Past-Presidents Luncheon
This event is an opportunity to provide an update of the societies affairs to the numerous Past-President of the society in a more social setting. Ensuing discussion offers further guidance and varied perspective for the current Executive

Web Site
The committee's main focus is to ensure that the CSEGE web site maintains a schedule of current activities and is user friendly.

Corey Hooge.

RECORDER Publication
Publishing ten editions each year, this committee is charged with providing a world class publication to our members. The RECORDER is the principal medium for the communication of geophysical topics of interest and issues within the society.

Satinder Chopra

Canadian Journal of Exploration Geophysics

An online peered reviewed journal encompassing all aspects of research, exploration and education in applied geophysics

Larry Line and Satinder Chopra

Jason Noble
Assistant Director of Communication

Cheran Mangat
Director of Communication

Patrick Tutty
Assistant Director of Member Services

Barrie Jose
Director of Member Services

Doodlespiel
This committee is charged with staging an annual curling bonspiel for our members to provide an opportunity to socialize and network with other members

John Bertsch

T-Wave Golf Tournament
A one day golf tournament held in Calgary and open to any member of the CSEGE

Jocelyn Frankow

Junior Geophysicists Forum
An annual social event to allow Junior Geophysicists an opportunity to network with experienced Geophysicists in an informal setting.

Doodlebug
This committee is chartered with providing annually an exciting social golfing event for our members that provides an opportunity to network and socialize. In recent years the venue is staged in Banff or Jasper.

Evan Perry

Ski Spree
Held in Fairmont each year, this family skiing event is staged by this committee to provide our members another opportunity to meet each other in a social setting. Competitions are staged, medals and prizes awarded.

Dale Johnson

Member Services

This group ensures the needs and concerns of all members (active, corporate, and student) are being addressed.

A quorum consists of 6 voting CSEGE Executive Members
