Is it that time of year again? Summers over, (not like we got one) kids are back in school and it is time to hit the books. Hopefully we will have a much better fall season. (September is looking better than August already!) I am slowly

getting back into the swing of things, and it looks everyone is as well. Here are a couple of things to report.

If you have any company or industry news, or would like me to attend an event for Grapevine coverage, please send me an email lorna.engleson@cggveritas.com or call at (403) 205-6134. Thanks!
