I am very pleased to have quite a few new job announcements this month. Hopefully the good news will continue.

I have received a lot of positive feedback on this column in the last month. I would especially like to thank Jason

Harper (Divestco) for making a point of introducing himself to me at Divestco's Christmas function and telling me how much he enjoys reading this column. You made my day Jason. I do put a lot of effort into getting announcements to share with the RECORDER readers. Having that recognized is a great feeling!

If you have a new job announcement, promotion, new degree, new addition to the family, questions, suggestions or just general feedback, please contact me at (403) 560-8431 or carmen_swalwell@yahoo.com. If you have retired or left the industry, drop me a line and let people know what you are doing now – CS

NEW CONTACT INFORMATION...

As you are aware in the last year there have been a number of people laid off in our industry. Often you don't have time or think to email your contact information to your friends and colleagues. To help you stay in touch you can send your new contact information to me and I will run it under this new heading. Thanks to Denise and Andy for being the first ones to send in announcements. Remember. update your contact information with the CSEG office.

Denise Freeland can now be reached at 403-815-0779. or dfreeland@xplor.net

Andy St-Onge, most recently of TriStar Oil & Gas can now be reached at geophysicist@shaw.ca or (403) 969-3272.

CONGRATULATIONS...

Datum Exploration Ltd. would like to congratulate and announce that **Jill Siegfried**, HR&Safety Supervisor, has been recently awarded her professional status as a Certified Human Resources Professional (CHRP), a nationally recognized professional designation in Canada. Datum Exploration Ltd. continues to support the efforts of their staff to advance their knowledge and promote professional standards in the seismic acquisition workplace. Jill can be contacted at 403-692-6002 or jill@datumexploration.com

ON THE MOVE...

Eric Ruygrok has joined the team at **Arcis** in the position of Business Development. Most recently, Eric served as the Canadian Area Manager with Petroleum Geo Services.
