STUDENT INDUSTRY FIELD TRIP

Calling all student geoscientists! The CSEG Outreach committee is organizing an Industry Field Trip Day scheduled for June 24th, 2009. This is your chance to learn about geophysical applications in the energy industry. Time will be spent with acquisition, processing and interpretation companies, where you will get a chance to interact with professional Geophysicists. The entire event only costs \$20.00. For more information please contact Matt Ng at mrng@ucalgary.ca or visit www.cseg.ca/students. The deadline for applicants will be May 22. There is limited space for applicants and they will be sorted in a first come first served basis.

CSEG FOUNDATION

2009/ 2010 Scholarship Application

Established in 1970, the CSEG Scholarship Trust Fund awards annual scholarships to deserving geophysics students from universities across Canada. These scholarships are funded primarily through generous corporate and individual donations, and also through interest generated by the memorial trust funds of Chris Elms, Ted Popilchak and Bob Won.

APPLICATION REQUIREMENTS

Student must be enrolled at a Canadian university in an academic program leading towards a career in exploration geophysics, teaching, or research.
 Scholarships are awarded based on academic performance, financial need, interest in Geophysics and extra-curricular activities. Application form must be filled out and signed by Department head or school official. This form is available online at www.cseg.ca/students/scholarships.cfm
 Post-secondary transcripts must be submitted, along with a list of courses currently in progress, in order to be eligible for selection. Reference letters must be independently submitted by two faculty members in support of your application. Refer to the address below for mailing address. Additional letters of recommendation may be submitted from past or current employers.
All required information above is to be submitted no later than June 15th.

Mail application, references, and transcripts no later than June 15th 2009 to;

**CSEG Foundation, Scholarship Committee
