RE: CSEG Student Industry Trip

Dear Student:

The CSEG Outreach Committees would like to encourage your participation in the ***CSEG Student Industry Field Trip***.

We believe that your involvement in this event will help it be a great success. With your help we can accomplish two of Outreach's primary goals: to expose students to the Canadian Society of Exploration Geophysicists, and to increase the depth and breadth of your knowledge of the seismic process.

Having the opportunity to visit a front end, acquisition, processing and interpretation company all in one day will be an invaluable experience.

Please arrive to the CSEG office promptly on June 24th by 8:00am for registration. Coffee and Muffins will be provided.

- 1) Please wear business casual attire for this field trip.
- 2) You receive a small handbook.
- 3) Please wear appropriate footwear for walking around the downtown core.
- 4) Please be familiar with the day's schedule including the social at the end of the day (see attached timeline).

Volunteers will be available to help you with any questions or concerns that you may have.

Best Regards,

CSEG Student Industry Trip Coordinators
